

RN-TO-PARAMEDIC ENHANCED SKILL CERTIFICATE

The Enhanced Skill Certificate is designed to offer coursework for current Registered Nurses (RNs) and prepare them to become a paramedic. Registered nurses who are currently certified as an EMT Basic and have 2 years of critical care experience (ER or ICU with ACLS certification) are eligible.

- Degree Type: Certificate
- RN to Paramedic is offered on the Athens campus in a hybrid format
- TSI (<https://coursecatalog.tvcc.edu/admission-registration/testing/tsi-testing-requirements/>): required

This program is not designed to transfer.
