

CONSTRUCTION TRADES - PLUMBING CERTIFICATE

The Plumbing Trades Certificate is designed to provide students with the knowledge and the skills for apprenticeship plumbing employment.

- Degree Type: Certificate
- Courses are not available online
- Plumbing trades is available on the Terrell campus
- TSI: not required

This program is not designed to transfer.

Note: Criminal history may disqualify individuals from obtaining or maintaining any plumbing trades certifications.

TEXAS LAW:

- restricts the issuance of occupational licenses based on a license applicant's criminal history; and
- authorizes the Texas State Board of Plumbing Examiners (TSBPE), in some cases, to consider a person convicted, even though the person was only on probation or community supervision without a conviction.

Individuals who have been convicted of an offense or placed on probation might not be eligible for an occupational license issued by TSBPE even after completing an educational or training program; TSBPE's criminal history guidelines are available at www.tsbpe.texas.gov and include restrictions or guidelines TSBPE uses to determine eligibility for an occupational license
